Dear Parent/Guardian

Extra Curricular Activities

Next week, we will be launching the new clubs and societies programme at Maiden Erlegh School in Reading. This programme is part of our enrichment curriculum and we will be encouraging all of our students to participate. Clubs will usually run for an hour after school and students will be able to find out more details from teachers running each club.

Our initial programme is outlined below and we anticipate that this will grow throughout the year. We will be talking to the students over the next few weeks to find out from them the activities that they would like to do, and will endeavour to respond to their ideas.

Students will be expected to inform you of their attendance at optional clubs and will be encouraged to note the clubs they want to attend in their student planner. A register of attendance will be kept for safety reasons. In all cases we expect parents to make the necessary arrangement for the safe return home of students following after school activities.

Our after school clubs procedure is posted on our website. We will also publish details of our clubs and society.

Please do not hesitate to contact me, via the school office, if you have any further questions about our programme.

Yours sincerely

Mr M Butchers
Extra-curricular co-ordinator

Monday: Choir
Wednesday: Band, Drama club Art club
Thursday: Maths Drop in session
