Dear Parent/Guardian

I am writing to let you know that there is a vacancy for a Parent member on the Local Advisory Board of Maiden Erlegh School in Reading. Maiden Erlegh School in Reading is part of Maiden Erlegh Trust and the governance structure consists of a Board of Trustees with responsibility for the Trust as a whole and a Local Advisory Board (LAB) for each school within the Trust.

Maiden Erlegh School in Reading wants to establish a partnership with parents which undoubtedly will bring great benefits to our students. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent member of the LAB- formerly known as a parent governor. The LAB's main tasks are to support and constructively challenge the school, ensure that pupils receive high quality education and plan for future development and improvement. This can be through an understanding of Finance, Buildings, HR, Legal, the local community or general business experience as well as an interest in the education of students in our local community. We welcome nominations of parents with experience in these areas. You do not need to be an expert in the field of education. What you do need is an interest in the school and in the welfare of our children and the time and willingness to get involved. You will also need 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information. All members of the LAB are expected to be able to read straightforward budget reports and data on school standards

Parent members of the LAB are elected by and from the parents of registered students at the school. They should be parents/carers of students currently at the school at the time of their election. If too few parents stand for election to fill the vacancies available, the LAB may appoint a parent of any child of or under compulsory school age. People who are elected members of the local authority or paid to work at the school for more than 500 hours in a school year are disqualified from being a parent LAB member.

The normal term of office is 4 years and a full range of training will be available. You would also be required to undergo a Disclosure and Barring Service check. The full Local Advisory Board meets at least 4 times a year.

The arrangements for the election are attached, together with a nomination form which must be received by **3.00pm on Wednesday 21 October 2015**.

Should you require any further information about the role, please contact me or Ian May, Chair of the LAB via the school. Any further information relating to the election process can be obtained from the Clerk to the LAB at the school.

Yours sincerely

Dr P. Thomas  
Headteacher
