Dear Parent / Guardian

Parking

I would like to ask for your support in helping to alleviate the parking congestion particularly in Hamilton Road at the start and end of the school day. Most parents park considerately at these times, however our neighbours in Hamilton Road report that a few parents are parking on footpaths and some are blocking driveways. This is causing pedestrians to have to go around the parked cars into the road and some residents cannot get out of their driveways.

We would ask all parents to consider whether travel by car is absolutely necessary and would urge all pupils to walk or cycle to school if at all possible.

If you feel that travel by car is essential, then please could you ensure that you park your car or wait considerately in neighbouring roads.

Thank you for your assistance.

Yours sincerely

Peter Thomas
Headteacher
