Dear Parent/Guardian

## Food Technology – Food Tasting

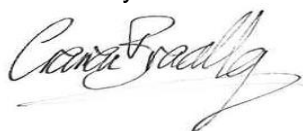

As you may be aware your son/daughter has recently started studying Food Technology, as part of the curriculum they will be analysing various food products and taste testing them.

The products we will be taste testing are Tinned Fruit Salad and Angel slices the ingredients of which are shown below, plus a fresh fruit salad.

Please indicate if you **do not** wish your son/daughter to participate in the taste testing aspect of these lessons, by completing the attached form and returning it to your food technology teacher.

Yours sincerely

Mr C Bradley  
Head of Technology

(Return to Mr Bradley via School Reception)
