

14 September 2016

Dear Parent/Guardian

Extra-Curricular Activities and Sporting Fixtures

Next week we will be launching the new extra-curricular clubs programme at Maiden Erlegh School in Reading. This programme is part of our enrichment curriculum and we will be encouraging all of our students to participate. Clubs will run after school and details of these can be found on the timetable attached and also on the school website.

Students will be expected to inform you of their attendance at these optional clubs and will be encouraged to note the clubs they wish to attend in their student planner. A register of attendance will be kept for safeguarding reasons. In all cases we expect parents to make the necessary arrangements for the safe return home of students following the after school activities.

If your son/daughter chooses to attend a sporting club there will be an additional opportunity for them to represent the school at sporting fixtures. Any student picked for the squad will be writing the details of the match in their student planner. If the fixture is away, they will be travelling in the school mini bus, driven by a member of staff, and will be dismissed on return back to school. We will also be launching our very own Maiden Erlegh in Reading PE Facebook page where details of practices and fixtures will be updated daily for you to see. This will become live the week beginning 19 September 2016.

Please do not hesitate to contact me, via the school office, if you have any further questions about our programme or sporting fixtures.

Yours sincerely

Mrs N Roberts
Head of Physical Education and Extra-Curricular co-ordinator
