Dear Parent/Guardian

**Year 8 E-Safety Parents' Evening - Tuesday 15 November 2016 at 6pm**

I am writing to invite you to our E-Safety parents' evening on Tuesday 15 November 2016 at 6pm in the school Sports Hall.

The event follows on from the E-Safety day that students received last year and covers Cyber-Safety, Cyber-Ethics and Cyber-Security. This session will be run by Andrew Westfold, from Intel Security. There will be opportunities for you to ask questions throughout the session relating to making your home Cyber safe, such as setting up Parental Controls and locking down access to websites.

I look forward to seeing you there.

Yours sincerely

Miss F Brooke  
Trust Lead for Computer Science
