Maiden Erlegh Trust

Dear Parent

We wanted to make you aware of a development at Maiden Erlegh Trust. We are delighted to say that we are working very closely with the Governors and Headteacher of Great Hollands Primary School in Bracknell with a view to welcoming it officially into our Trust on 1 July 2017.

For all of us here at the Trust, this has been a very important and carefully taken decision. As Executive Headteacher and Chair of the Board of Trustees, we understand the responsibility we have for each school in our organisation and we take that very seriously. We are a small Trust because we will only partner schools we believe in, and only when we feel able to support them effectively and without detriment to our existing schools.

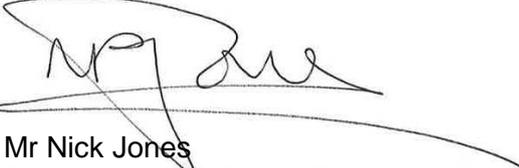

We are determined to ensure that all three academies become and/or remain exceptional schools and provide the best possible education for each and every child in their respective communities.

These are exciting times for the Trust and for all the schools involved. As with the opening of the new school in Reading, this venture will bring more opportunities for staff professional development (which in the past has enabled us to retain and promote colleagues) and it will enable us to work more efficiently. In the current climate of recruitment shortages and financial cutbacks, both of these things are vitally important to maintain the quality of provision which characterises Maiden Erlegh Trust schools.

We are very fortunate to be working alongside primary specialists who will undertake the vast majority of this work.

If you have any questions about this project, please do not hesitate to contact us.

Yours sincerely

Mr Nick Jones
Chair of Maiden Erlegh Trust
