Dear Parent/Guardian

Travel To and From School Survey

As a school we regularly review the way that students travel to and from school. We have recently been liaising with Reading Buses and their specialist school travel consultant to improve the provision of the most used services by our students. In order to assist the work of Reading Buses in this regard, it would be very helpful if you could complete a short online survey.

The survey can be found here: www.surveys.vectare.co.uk and there is also a link on our website

Students will also be completing this survey over the next few days. The more parents complete the survey, the more useful its findings will be. We have already successfully argued for more duplicate bus services at the busiest times on the number 17 route and this has improved punctuality for many students. The survey closes on Wednesday 17 May.

Thank you for your help and support with this.

Yours sincerely

Mr A Johnson
Head of School (Acting)
