15 June 2017

Dear Parent/Guardian

Summer Uniform

Now that the weather is getting warmer, we will institute a summer dress code alteration – effective from Friday 16 June 2017. Until the end of the term in July, blazers and jumpers do not have to be worn or brought into school. Students may continue to wear blazers if they wish. The wearing of school ties will still be compulsory. In very warm weather, teachers may choose to allow students to loosen top buttons during lessons (at their discretion) but students will be expected to fasten top buttons and straighten their ties before leaving the lesson.

Our uniform is a source of great pride and we consider the presentation of our students to be an important aspect of our school culture. The vast majority of our students are always dressed appropriately and enjoy being so smart. Please could I ask for your continued support of our dress code, particularly in ensuring that students wear the correct shoes to school.

Yours sincerely

Mr A Johnson
Head of School (Acting)
